NSA/CSS FOIA/PA APPEAL AUTHORITY (DJ4)
National Security Agency
9800 Savage Road STE 6248
Fort George G Meade, MD 20755-6248

CASE NUMBER: 82370

October 22, 2015

Dear NSA/CSS FOIA/PA APPEAL AUTHORITY (DJ4),

I'm appealing the denial letter I received requesting information in regards to the Secret Service. If you need to see a copy of it, you can go here: <http://kathygold.info/FederalCourt/NSA/> or <http://kathygold.com/FederalCourt/NSA/>

I'm appealing because I'm going to Federal Civil Court, and this will be included in my lawsuit against the FBI/DOJ.

In 2012, I tweeted the President of the USA, I was coming forward to tell my story of what happened in 1998 when I was a member in good standing with the Church of Scientology.

Here is the website: scientologyforyou.info I tweeted to the Whitehouse, the President and the First Lady.

While I was coming forward, hate crimes were committed on me by non Scientologists and my life has been destroyed for a 3rd time.

The Secret Service were aware of it, watched it happen and did nothing to intervene, which is against the law. I went to the FBI to report these hate crimes as well as other crimes and I was verbally and emotionally abused, I also tried the LAPD and got a similar

response. My only option left is to go to Federal Civil Court, the statute of limitations has expired to sue the people who committed the hate crimes for my damages, the FBI never did any investigations and blew me off, which is against the law so Federal Civil Court will have to do the investigations.

What I'm requesting to find out is how many times did the Secret Service access my email hpchck@gmail.com and how far does it go back. I don't need to know their names or their personal information, just how many times and how far does it go back, the dates.

I'm currently on food stamps so I can't afford to send you any hard copies of evidence but you can access it here:

<http://kathygold.info/FederalCourt/>
<http://kathygold.com/FederalCourt/>

If you need more evidence, let me know, this will also go to 3 Federal Civil Court Judges as evidence in my case in the next few months. My damages are between 6.3 billion and 10 billion and that's not including punitive, I'm sure they will want to know all the reasons why the Secret Service didn't intervene and alert the FBI to do investigations but instead blew off the victim and reinforced all the trauma and pain of the hate crimes and destruction of my life for a 3rd time, not to mention all the trauma and pain of the sexual abuse and hate crimes from 1998, I was coming forward about and the destruction of my life for a 2nd time. My life has been so destroyed, there is no possible way I will obtain the American Dream, a family, due to the events of 1998 and 2009-2013, I can't have children, my period stopped when I was 38, I was raped by LAPD and staff at Olive View Hospital after they violated my civil rights and overdosed me on psych drugs in 1998. By the time all the trauma is handled, mentally and physically I'll be between the age of 70-90 years old, this is what my parents immigrated to this country for, so that their only child's life can be destroyed by Americans to the degree I'll be an orphan and alone for the rest of my life. This is not freedom, and

everybody made sure that I never obtain the American Dream. This is evil and I know it's cause I'm a Scientologist, Jewish, Catholic, a Woman, my age, a Republican, I'm white and I'm Hungarian.

These are hate crimes and the 3 Federal Civil Court Judges I'm sure will do their own investigations into the Secret Service in regards to each count. In Los Angeles county, it's 3 times the damages per count and it's 8 counts.

And money doesn't make up for this fact, it's just money. I'm preparing for next life. My religion Scientology is about past lives, what people within this church are doing on the upper OT levels is learning how to bypass eternal damnation and break the cycle of reincarnation. The incident in 1998, in my home, these Scientologists opened my case by force (that's what we Scientologists call our past lives), by violating my civil rights, and that was a no no in my religion. They were forcing me to cross the wall of fire, while taping it without my permission and I was naked.

In 2009/2010, what they started, I finished on my own, I crossed the wall of fire and I already know how to break the cycle of reincarnation, so next life, I'll have it all, an awesome family, my soulmate and my own children. Without family, there is no reason for any life. The human race is on it's way out, GMO's, they have cut procreation long term for the human race, mankind, it's a scientific fact and the global population is coming down, without new humans being born, that is the end of the human race long term.

<http://scientologyforyou.info/GMO.html>

And when the planet stops spinning, this is what it will be like <https://youtu.be/nH3bmG-KjvU> for those left on this planet. Since I've crossed the wall of fire, I won't be reincarnating to the above but alot of people will. The bible will come true, nobody in my religion ever said it wouldn't.

L.Ron Hubbard was also an artist, I'm an artist too. While crossing

the wall of fire, I got bored so I figured out his art, the last 2 works of science fiction art he did before he passed away.

http://scientologyforyou.info/Mission_Earth.html

http://scientologyforyou.info/Battlefield_Earth.html

Artists communicate their feelings in their art, another fact. L. Ron Hubbard and his management team put this church on the map, this religion on the map, it's always been a church about past lives.

This is the first book I read:

https://en.wikipedia.org/wiki/Have_You_Lived_Before_This_Life It's a case study about past lives.

L. Ron Hubbard was the 1st rebel of the psych industry, he's not the only person that went down this road, other psychs did too.

<http://www.jimbtucker.com/life-before-life.html>

Had my mother and father never come back to this country, our lives were destroyed by hate crimes in Ohio when I was 8 years old and they left this country to stop the hate crimes, I would have been fine even if it was a communist country that's now a capitalist country. It was the FBI that created Hate Crimes on me and my family when I was 8 years old in addition to the other people.

[eric lichtblau on the](#)

You have internal enemies to this country, from the Nazis that got jobs in the FBI and CIA, Nazi war criminals who J. Edgar Hoover didn't bring to Justice but gave them jobs. What do you think those people did? They instituted Nazi SOP within the FBI and CIA, that means Nazi Policy, Nazi Procedure, this country was infiltrated by these people and now in the year 2015 you can see the damages they have done to this country over time. Look around, do you see this country getting better? Do you see all Americans flourishing and prospering? No, most of them are going criminal, becoming criminals to survive.

The FBI/DOJ are so busy infiltrating religions they don't help US taxpayers that were victims of hate crimes cause they are too busy committing hate crimes of their own.

The FBI's SOP is to infiltrate churches, temples, mosques etc etc, they have been doing this since the 50's.

http://www.huffingtonpost.com/2015/03/04/fbi-informant-craig-monteilh_n_6800126.html

<http://www.dailymail.co.uk/news/article-2980450/Former-FBI-mole-paid-undercover-infiltrate-California-mosques-says-encouraged-sleep-Muslim-women-obtain-better-intel.html>

They constantly did it to my church, the Church of Scientology, it's even on their routing forms, it asks directly if you work for the FBI, CIA or any other Government agency. If they do, they can't have services because they are illegal PC's that means criminals. That means, they can't learn how to bypass eternal damnation and break the cycle of reincarnation because these people have adopted Nazi policy and procedure internally in their agencies and have become

Nazis while doing their jobs and Nazis are criminals.

The CIA was so stupid, they never bothered to get my religion from the copyrights office, they wanted to figure it out from reading online, the negative from the internet, which is just a bunch of people complaining.

The Secret Service is anti semetic. I want to prove it in court. Not all of them, just some of them. I want to know how far this goes back, does it go back to 2008 or earlier? There's more to the story and they are hoping I'll never find out and label me crazy.

You have to ask yourself, why would the Secret Service not intervene, not alert the FBI, these are hate crimes. As for the FBI/DOJ, I already know why they blew me off, here are all the counts:

I'm a Scientologist

I'm Jewish

I'm Catholic

I'm a woman

My age

I'm a Republican

I'm a Hungarian

I'm White

That's 8 counts and here in Los Angeles county, that's 3 times the damages per count.

The FBI on purpose blew me off, broke laws, that makes them liable and they will have to pay for my damages, it's against the law to do what they did, they are hoping I would accept and live with all this evil. They are out to lunch and I'm hoping some will go to prison for more then one crime.

If the Secret Service violated my 6th amendment, my privacy because they are anti semetic and Nazis, I think Federal Civil Court

wants to know about it and it makes them what? Un American, not real Americans and if they did this to me, they are doing it to other Americans and will throw this country under a bus, they are in treason.

The Secret Service has violated their oath they took when they started that job:

https://en.wikipedia.org/wiki/United_States_Uniformed_Services_Oath_of_Office

They broke their contract with the American Taxpayer, me.

Law enforcement is suppose to intervene when crimes are in progress and alert the correct law enforcement agency that it would fall under but they chose not to, they chose not to lift one finger, why is that? What are the reasons they chose not to?

I've already sent a letter to the Inspector General regarding this, so I'm sure he will investigate too the reason the Secret Service didn't do their job.

If it's normal, to watch and not intervene while crimes are in progress, if that's their SOP, then you have a huge problem with all law enforcement internally, cause this mentality, is not American at all, this is Nazi mentality and Nazi SOP.

And if you deny my request, that's fine. The 3 Federal Court Judges can investigate you. This is not national security, this is a bunch of people cyberstalking and hacking a US Citizen's email with the intent to rape and murder. And I'm not the only US citizen they are doing this too and have done this too. Cyberstalking and hacking email with the intent to rape and murder is against the law and if you deny my request, that makes you an accomplice to their crimes as if you committed these crimes yourself.

Is this what you teach americans to do in your employ, to abuse the homeland security act against american citizens? To cyberstalk and

hack email so you can commit crimes on your taxpayers, US citizens? If this is the case, then you too are in treason to this country and that makes you a criminal organization no different then the FBI/DOJ and Secret Service.

You also took an oath when you started employment with the NSA, if this is what you are doing then you broke that oath, your agreement, your contract with US citizens and this country.

Thank You,

A handwritten signature in cursive script, appearing to read "Kathy Gold".
